INTRODUCING THE LATEST IN PERFORMANCE ATHLETIC FOOTWEAR...THE APEX® PERFORMANCE ATHLETIC SNEAKER!

The Apex® Performance Athletic Sneaker is the newest addition to the Apex Active Collection. This enhanced performance shoe is a fashion-forward mesh style runner with all the features that makes an Apex shoes superior: from high quality materials and detailed craftsmanship, to reliable support and comfort, this shoe is the next cornerstone of our mesh runner offerings.

BENEFITS & FEATURES

- "Slip on" construction for ease of donning/doffing
- Eyestay adjustment for narrow foot customization
- Supportive, yet lightly stretchable upper to accommodate different foot structures
- Traction oriented, light weight design
- Breathable, open mesh upper for cooling and moisture transfer
- Rigid heel counter for keeping heel centered and stable
- Wide midsole for added stability
- Available in 3 Widths: Medium, Wide, X-Wide
- 5/16" removable depth for fitting flexibility
- Meets PDAC certification requirements

Women's: P7100W
Color: Mint/Grey
